Daily	7 pm	146.505	AERO Code Practice Net
1 <sup>st</sup> Tues	7:30 pm	145.330	Baltimore ARES Net
2 <sup>nd</sup> Tues	7:30 pm	146.670	Baltimore County RACES Net
2 <sup>nd</sup> Wed.	8 pm	28.445	AERO ARC Net
4 <sup>th</sup> Wed	8 pm	147.240	AERO ARC Net
5 <sup>th</sup> Wed.	8 pm	449.575	AERO ARC Net

## K3FT – Silent Key

*Chuck, K3FT, at the W3PGA CW position Field Day 2004*

October 12 brought sad news of the passing of longtime aero friend Chuck Reville, K3FT.

Although Chuck was not an Aero Member he helped the club as a regular VE at our test sessions and as Net Control for our public service events.

Chuck was originally licensed in the 1970's as WN3QLV and later WA3QLV. He was a longtime member of BARC until 1999 and one of the original BRATS members. He was also a member of the Potomac Valley Radio Club.

Chuck loved amateur radio. He enjoyed just about every ham radio activity imaginable. He built equipment, rag-chewed, worked DX, and was a top notch contesteer. He was the consummate traffic handler and "emlered" many in this skill.

Chuck also believed in giving back. He was a regular RACES NCS for Baltimore County. He served in many emergency situations such as the aftermath of the Johnstown Pa Flood, the Chase Train Wreck and Tropical Storms Floyd and Isabele.

In his professional life Chuck worked as a CW ship-to-shore operator at WMH, an FCC monitor at Laurel and did a tour as radio operator on board the USNS Comfort during the 1991 Gulf War.

Last June Chuck helped the Aero Club by operating the CW position. He had said he enjoyed working with the club and looked forward to doing it again.

Chuck was laid to rest at Dulaney Valley Memorial Garden's. He will be missed by many in the Amateur Radio Family.

*Ed Note: Several Aero Members attended the services and the club sent flowers.*

## Code Practice Net

The Aero Code Practice Net boasts a 100% pass rate for those who have taken advantage of this service. Under the tutelage of Pat, AC3F, both Dave KB3KRV and Ken KB3JVP passed the code exam at a VE session on the first attempt.

Pat will take on new students when asked, but in the meantime the Net will continue on 146.505 MHz by sending 5 to 10 minute code practice runs followed by a reading of the text just sent.

The net begins promptly at 7 p.m. local every day but Wednesday.

## Station Activities

KA3OUT visited the 2 meter net. Tony is sporting a new ICOM PC based receiver. WB3FMT is a new dad-in-law. KB3KRV began official duties as a VE. W3JEH is back in class. Congrats to KB3JVP on passing the code test. K3CXC was spotted at the Aero Booth during Waterfest/Airfest 2004. ND3D, Bob, was welcomed as a new member.

## Public Service

October 17 found the Aero Club in Havre de Grace Md. Providing communications to the American Diabetes Association Walk for the fourth year in a row. As an entirely AERO operation, AC3F Pat brought up W3PGA as NCS with WB3FMT acting as SAG while KB3JDE and KB3KRV manned the rest stops. AC3P backed up Pat and shadowed the ADA officials during the event. The walk concluded uneventfully without any injuries to the participants.

*The Havre de Grace Homies*

The next event is the ADA Baltimore Walk on 10/23. Contact Frank AC3P to volunteer.

## **ARES/RACES**

WB3FMT participated in the ARRL ARES Simulated Emergency Test on October 2 activating Franklin Square Hospital. Joe also was at Reisterstown VFD for the October RACES drill.

## **VE Report**

The September test session was held at White March on the 25<sup>th</sup>. There were three applicants. One upgraded to Extra. One upgraded to General. One upgraded to Tech Plus. Thanks to KB3KRV, W3FQE, K3GOD, K3FT, AC3P and AC3F for making up the VE team

## **Aero Net Reports**

Two Meter Net - Check-ins: AC3P (NCS), W3JEH, KB3KRV, KB3JVP, K3ROJ, W3VRD, KA3OUT – time 1 hour 15 minutes

70 Centimeter Net – Check-ins: AC3P (NCS), KB3JVP, K3ROJ, K3YGC, KB3JKG, K3GOD time 1 hour 5 minutes

Ten Meter Net - Check-ins: WB3FMT (NCS), K3ROJ, KB3KRV, AC3P  
Time 30 minutes

## **COMING EVENTS**

- Oct 20      Aero Meeting Coffman's 7:30 p.m.
- Oct 23      ADA Walk Baltimore 8 a.m.

                    <http://www.qis.net/~k3pzn>
- Nov 6 -8     ARRL SS CW
- Nov 20 -22    ARRL SS Phone

## AERO Steps Back into Local History

On Saturday October 2<sup>nd</sup>, the Aero ARC joined with other community groups to take part in the first annual Waterfront/Airfest 2004 Festival. Civic, Corporate and Local Government representatives took part in this event celebrating Middle River's waterfront and aviation history on the 75<sup>th</sup> Anniversary of the founding of the Glenn L. Martin Co. plant in Baltimore County

With the help of the Glenn L. Martin Aircraft Museum the Aero Club set up an amateur radio display in a tent shared with the Baltimore Rosie the Riveters, the Ninety-Niner's Lady Pilots and Phoenix Aviation.

The Aero Banner was unfurled and W3PGA was placed on the air on 20 meters and 2 meters.

While only four QSOs were made during the event, the mode that brought the most attention was CW. When a QSO was in progress many would stop a listen to the strange sounds emanating from the ICOM 706. Several made comments as to how they did not know anyone still used Morse Code.

A few people took the brochures that we set out and indicated they would call back for more information.

All in all the display was successful and there may be more in the future.

Thanks to K3GOD, KB3KRV, AC3F, WB3FMT, and AC3P for their efforts in this event.
